Wool Fabric

Made from the finest 24 oz. Melton wool blend with a fiber content of 80% virgin wool and 20% nylon, which improves performance and reduces pilling.

Lining/Interior Zipper Access

An improved quilted lining is used to maintain warmth & comfort. Access zipper for easy decoration.

Construction

Double needle felled shoulder and sleeve seams resulting in a stronger and more durable seam than a single needle stitched seam can provide.

Leather/Vinyl

The finest top grain steerhide leather specially treated to resist scuffs and cracks. The team carefully cuts around natural flaws and imperfections on the skin to provide the best looking leather around.

Pockets

Matching quality, real leather is used for the double besom welt pockets. Offset with wide wool facing inside the pocket.

Comfort

Ample sizing for comfortable fit.

Knit Trim

Our knit trim elasticity memory has top quality resistance to pilling.
