IMPORTANT DECORATION INFORMATION

Due to dyes used for creating this garment, dye migration is likely if screen printing or using certain heat transfers without preventive steps. You are advised to consult your Screen Print ink or Heat Transfer provider before decorating if you are unsure of the proper steps for decoration.

DECORATION RECOMMENDATIONS

- Low Temp or Low "bleed" Inks and Heat Transfers only
- For Platisols, a black or grey blocking layer should be considered
- Consider Silicone Inks as best alternative
- Consult with your ink or heat transfer provider if necessary before decorating
